

Welcome to Cenfotec, where Italian tradition meets modern flavor.

Nestled in the heart of the city, Cenfotec is more than just a restaurant — it's a celebration of Italy's rich culinary heritage. Our passion lies in crafting authentic Italian dishes using the freshest ingredients, homemade sauces, and time-honored recipes passed down through generations.

From classic pasta and wood-fired pizzas to indulgent risottos and decadent desserts, every plate is made with love, care, and a touch of la dolce vita. Whether you're sharing a meal with family, enjoying a romantic evening, or catching up with friends over wine, Cenfotec offers a warm and welcoming atmosphere for every occasion.

At Cenfotec, food is our art, and you're always part of the family.

Buon appetito!
